**REPORT AND RECOMMENDATION  
OF THE UNITED STATES MAGISTRATE JUDGE**

**TO: THE HONORABLE ALAN D ALBRIGHT,  
UNITED STATES DISTRICT JUDGE**

The undersigned submits this Report and Recommendation to the district judge pursuant to 28 U.S.C. § 636(b) and Rule 1 of Appendix C of the Local Court Rules of the United States District Court for the Western District of Texas, Local Rules for the Assignment of Duties to United States Magistrate Judges. Before the Court is the petition of the United States Probation Office recommending the revocation of the defendant's term of supervision. The district judge referred the matter to the undersigned for the preparation of a report and recommendation.

**I. PROCEDURAL BACKGROUND**

The defendant was convicted of possession with intent to distribute 50 grams or more of actual methamphetamine, in violation of 21 U.S.C. §§ 841(a)(1) and 841(b)(1)(A). The defendant was sentenced to fifty-seven (57) months imprisonment, followed by a five (5) year term of supervised release. The defendant was released to supervision on January 27, 2025.

On July 1, 2025, the United States Probation Office filed a Petition for Warrant or Summons for Offender Under Supervision, alleging the defendant violated the terms of his supervision in the following ways:

**Violation Number 1:** The defendant violated Mandatory Condition Number 2, in that, the defendant admitted to using Methamphetamine the weeks of May 26th, June 2nd, and June 9th, 2025.

**Violation Number 2:** The defendant violated Mandatory Condition Number 2, in that, on November 6, and 21, 2024, the defendant used and possessed Methamphetamine.

**Violation Number 3:** The defendant violated Standard Condition Number 3, in that, on November 6, 2024, the defendant admitted to leaving the district without permission.

**Violation Number 4:** The defendant violated Standard Condition Number 8, in that, on June 27, 2025, the defendant admitted to having contact with someone he knows is engaged in criminal activity.

On July 22, 2025, the Court held a hearing on the petition. At the hearing, the defendant pled TRUE as to violation numbers 1, 2, 3, and 4. The petition contained a sufficient factual basis to support a plea of TRUE as to all violations.

## **II. FINDINGS OF THE COURT**

Based on the sworn statements of the defendant and other testimony at the hearing, the undersigned finds as follows:

1. The defendant violated the conditions of his supervision as alleged in the petition.
2. The defendant was competent to make the decision to enter a plea of TRUE to the allegations underlying violations 1, 2, 3, and 4.
3. The defendant had both a factual and rational understanding of the proceedings against him.
4. The defendant did not suffer from any physical or mental impairment that would affect his ability to fully understand the charges against him or the consequences of his plea.

5. The defendant was not under the influence of any drugs, alcohol, or medication that would affect his judgment in entering a plea or that would affect his understanding of the basis, consequences, or effect of his plea.
6. The defendant was sane and mentally competent to stand trial for these proceedings.
7. The defendant was sane and mentally competent to assist his attorney in the preparation and conduct of his defense.
8. The defendant received a copy of the petition naming him, and he either read it or had it read to him.
9. The defendant understood the petition and the charges alleged against him.
10. The defendant had a sufficient opportunity to discuss the petition and charges with his attorney.
11. The defendant was satisfied with the job his attorney has done and had no complaints about his attorney.
12. The defendant understood that he had the right to plead NOT TRUE and proceed with a hearing at which he could present evidence and cross-examine witnesses.
13. The defendant freely, intelligently, and voluntarily entered his plea of TRUE to the allegations in violations 1, 2, 3, and 4.
14. The defendant understood his statutory and constitutional rights and desired to waive them.
15. The petition contains a sufficient factual basis to support the defendant's pleas of TRUE to violation numbers 1, 2, 3, and 4.

### **III. RECOMMENDATION**

The undersigned has carefully considered all the arguments and evidence presented by the parties and **RECOMMENDS** that the defendant's term of supervised release be revoked and that he be released to a forty-five (45) day, in-patient substance abuse treatment facility as soon as a bed becomes available. It is further **RECOMMENDED** that the defendant be given a new three (3) year term of supervised release, to begin when the defendant enters the in-patient facility.

### **IV. WARNINGS**

The parties may file objections to this Report and Recommendation. A party filing objections must specifically identify those findings or recommendations to which objections are being made. The district court need not consider frivolous, conclusive, or general objections. *See Battles v. United States Parole Comm'n*, 834 F.2d 419, 421 (5th Cir. 1987).

A party's failure to file written objections to the proposed findings and recommendations contained in this Report within fourteen (14) days after the party is served with a copy of the Report shall bar that party from de novo review by the district judge of the proposed findings and recommendations in the Report and, except upon grounds of plain error, shall bar the party from appellate review of unobjected-to proposed factual findings and legal conclusions accepted by the district judge. *See* 28 U.S.C. 636(b)(1)(C); *Thomas v. **SIGNED** this 22<sup>nd</sup> day of July, 2025.
